About Freeman Toje

Freeman Toje was born on October 1 in Nigeria. He obtained my first degree (bachelor of science) in Chemistry from the University of Port-Harcourt in Nigeria.

He is a very committed entrepreneur that is passionate about adding value and creating multidimensional solutions to societal and international challenges.

He has a wealth of experience in the import and export industry with a leading vision to be top-notch.

He is the Chief Executive Officer of Felom Import and Export. The firm is situated in Toronto, Canada. The major operations of Felom are buying and selling of new cars, used cars, used industrial machinery, equipment, and general contract.

Freeman Toje is a very committed entrepreneur that is passionate about adding value and creating multidimensional solutions.

Thank you
